## OUR LOCAL FINE AND FAVOURITES

*We regularly buy small quantities of special wines and rare vintages from around the world we have enjoyed and which we would love to share with you.*

*Each Fazenda location has its own selection that are kept in our wine rooms.*

*Please ask our team for our Local Fine and Favourites menu to see what is available.*

Our lists are kept as up to date as possible but please note availability of these wines is limited.

We hope you enjoy trying these wines as much as we did while putting these lists together with our team.

## EXPLORE BY THE POUR WITHOUT PULLING THE CORK

The Coravin™ System allows you to pour and enjoy fine wine without disturbing the natural ageing process by keeping the cork in the bottle, where it's been since it was first sealed at the winery.

Wine flows out but oxygen never gets in, eliminating the problem of oxidation. This process allows the wine remaining in the bottle to continue to evolve naturally.

At Fazenda, you can enjoy our finest wines without having to purchase the whole bottle. Explore the world of premium wines at accessible prices. Look for the Coravin logo on our menu next to carefully selected wines from the range.
