ALLERGY INFORMATION

Our Allergen Guide is available on our website or via the QR code on your menu. It shows which of the 14 legally declarable allergens are contained in our menu items as well as “May Contain” information passed to us from the suppliers of the ingredients we use, but it does not list all ingredients in each menu item. You can also view the different dietary requirements in the guide.

Please note we cannot guarantee there won't be any cross contamination in our food or drinks. If you suffer from any allergy or intolerance, please tell your server before you order and we will guide you through our system. We recommend that you check the Allergen Guide yourself every time you order even if you have dined previously with us, as our recipes sometimes change.

Allergen information is only available for some types of drinks.

Our menus or Market Table labels show nutritional calorie information per portion served or for each 100 grams. As a guidance the recommended daily calorie intake is 2,000 calories a day for women and 2,500 for men.
